

JOSEPH SIXTUS OJOCHEGBE

Abuja, Nigeria | sixtusjoseph3@gmail.com | +2348141921552 | DOB: August 7, 1999 | [My Portfolio](#)

PROFILE

A versatile professional with a strong foundation in biochemistry and extensive expertise in **front-end** and **full-stack web development**. Experienced in integrating **React.js**, **Next.js**, **JavaScript (ES6+)**, and **Tailwind CSS**, I excel at building dynamic, scalable, and user-centric applications. With a background in both laboratory research and modern software technologies, I am adept at bridging the gap between scientific research and technical solutions. Passionate about innovation, I bring a unique perspective that blends analytical thinking with modern development frameworks, ensuring high-performance, intuitive user experiences.
