Abuja, Nigeria | sixtusjoseph3@gmail.com | +2348141921552 | Date of Birth: August 7, 1999

## PROFILE

A versatile professional with a strong foundation in biochemistry, complemented by extensive skills in full-stack web development. Experienced in both laboratory research and modern software technologies such as React and Next.js, I am adept at bridging the gap between scientific research and technical solutions. Passionate about driving innovation, I bring a unique perspective that blends analytical thinking with modern development frameworks.

## EDUCATION

Certificate in Full-Stack Web Development  
Early Code Computer Institute  
2024

Bachelor of Science in Biochemistry  
Prince Abubakar Audu University, Anyigba, Kogi State  
February 2019 – October 2022  
Second Class (Lower Division)

WAEC/NECO  
Christ the Good Shepherd Academy of Sciences, Anyigba, Kogi State  
September 2011 – July 2017

First School Leaving Certificate (FSLC)  
LGEA Primary School, Anyigba, Kogi State  
September 2004 – July 2010

## PROFESSIONAL EXPERIENCE

Full-Stack Web Developer (React & Next.js)  
Freelance, 2024 – Present

- Developed dynamic and responsive web applications with modern frameworks such as React and Next.js.
- Created intuitive user interfaces and implemented seamless back-end functionality.
- Integrated third-party APIs, managed state with Redux, and ensured optimized performance across devices.

- Transitioned into web development after completing a biochemistry degree, applying problem-solving and analytical thinking skills to software development challenges.

### **Undergraduate Student Intern**

Federal Medical Centre, Lokoja, Nigeria | 2021 – 2022

- Gained hands-on experience with laboratory tests and biosafety procedures.
- Trained in the proper use of laboratory devices and contributed to accurate data collection for medical research.

### **Data Entry Clerk**

Center for Integrated Health Program (CIHP), Grimard Catholic Hospital, Anyigba, Nigeria | 2018

- Captured and uploaded patient data, ensuring confidentiality and accuracy in healthcare documentation.
- Played a key role in streamlining administrative processes, enhancing data management systems.

### **Sales Representative**

Diara Communications, Anyigba, Nigeria | 2017 – 2018

- Exceeded sales targets through effective communication and strategic account management.
- Negotiated successful deals and consistently delivered excellent customer service.

## **SKILLS**

### **Technical Skills**

- Web Development: Proficient in React, Next.js, HTML, CSS, JavaScript. Experience with RESTful APIs, state management (Redux), and back-end integration.
- Microsoft Office Suite: Advanced skills in Excel, Word, and PowerPoint for data analysis, document creation, and presentations.
- Data Integrity: Meticulous in maintaining data accuracy in both technical and administrative tasks.
- Problem-Solving: Skilled in troubleshooting and resolving issues across web development and computer-related tasks.

### **Communication Skills**

- Ability to clearly convey complex ideas to both technical and non-technical audiences.
- Effective in both written and verbal communication with a focus on active listening and collaboration.

### **Time Management**

- Proven ability to prioritize tasks efficiently and meet deadlines in dynamic, fast-paced environments.

## **INTERESTS**

Web Development, Reading, Volleyball, Music Production, Interior Decoration
